

Duke UNIVERSITY SUMMER SESSION

Dear High School Counselors,

We at Duke know how influential you are in assisting your students in their search for worthwhile summer opportunities to help prepare them for college. Please send the information below to your students and their parents to provide them with a beneficial summer college experience.

Dear Students,

Are you looking for a captivating and meaningful way to spend your summer? Join us at [Duke Summer Session for High School Students](#) and get a taste of life on a college campus.

By attending one of our programs, you will prepare for college by delving deeper into intellectually stimulating courses of interest, which may even include the opportunity to accompany your college application with a letter of recommendation from a Duke instructor. In addition to challenging yourself academically, you will engage with a diverse group of peers, exposing you to different cultures and expanding your future network. Not to mention, you will leave with a lifetime of memories!

Interested in learning more about our programs? Visit our [website](#), and be sure to mark your calendars for December 3rd, 2018 when our applications open!

Sincerely,

Nicki Charles, Ed.D.
